ANDRE'S CURRENT RESUME LINE

Grocery store associate, 2024 to present. Duties included stocking shelves, helping customers, and other assigned tasks.

Andre also worked two summers at a warehouse and left that off.

Fictional document, written for a workshop activity. Not a real scholarship, job, award, or course.

Financial Aid Award Notice

Academic year
Enrollment assumed: 12 credits per term

YOUR AWARD

Federal Pell Grant	\$3,697 for the year
Federal Direct Subsidized Loan (offered)	\$1,750
Federal Work-Study	\$1,200

The grant is split evenly across fall and spring. The loan may be accepted, reduced, or declined. Work-study is paid as you earn it and is not applied to your bill.

IMPORTANT TERMS

Your Pell Grant is adjusted to your enrollment at the census date each term. **Dropping below 12 credits after the census date may reduce or cancel the current term's grant.**

You must complete **67 percent of attempted credits** and hold a **2.0 cumulative GPA** to remain eligible.

Withdrawing from all classes in a term may require you to repay a portion of aid already disbursed.

Questions: contact the Financial Aid Office. This notice supersedes any other estimate you received.

ATTENDANCE

Come to class. If you miss, get notes from a classmate first, then come see me. More than four absences affects your participation grade.

EXTENUATING CIRCUMSTANCES

If something outside class is affecting your work, tell me early rather than late.

You do not owe me details or documentation. I need enough to know what kind of help is useful, and a plan for the work you missed.

I can extend deadlines, point you to campus resources, and in some cases arrange an incomplete. I cannot undo a grade at the end of the term for something I heard about for the first time in week fifteen.

OFFICE HOURS

Tuesday 2:00 to 3:30, and by appointment. Email gets a reply within one weekday.
